

Skyline Basketball Tournament

Event Protocols

Please understand that our primary goals are:

- 1) the safety of our students and community;
- 2) the ability of our students to continue to attend in-person school daily; and
- 3) trying to ensure that our student-athletes have the opportunity to compete and complete their athletic seasons with as few interruptions as possible.
- 4) continuing to be able to allow the parents/grandparents of our student-athletes to be able to come to watch them play

We believe that these guidelines will aid us in achieving these goals.
