Stoutland R-II Parents and Students

RE: Home Delivery of Instructional Materials – Monday or Tuesday Afternoon Each Week

First and foremost, we miss you! We are looking forward to the time when we can return to our normal school schedule, but, until then, we are dedicated to serving you and staying connected with you during this unique and challenging time! Believe me; we can't wait to start connecting with students and to help parents by supporting the education of all students while at home.

Beginning Monday, March 30 and continuing Tuesday, March 31, we begin the process of delivering weekly instructional packets to your home either on Monday or Tuesday afternoon. Included with this letter is a delivery schedule indicating which teachers will be sending instruction on Mondays and those sending instructional packets on Tuesdays, once weekly, during the school closure. There have been some slight changes since our last communication with you. Delivery each Monday and Tuesday will begin at 3:00 p.m. and conclude at approximately 5:00 p.m. Completed student work will be returned the following week at the same time the next week's instructional packets are delivered. This process will continue each week as long as we are closed or ordered to do so otherwise by the local, State or Federal government. Thank you for your patience with us, as we work to streamline the delivery process while meeting the needs of each family.

Should our time apart be extended, we will reassess our plans and resources, seeking new and innovative ways to keep our students engaged, to minimize a regression in student learning before we can open our doors to students once again. Parents, please stay in touch with your child(ren)'s teacher(s). Feel free to send them an email or give them a call. They will provide their contact information with you. Also, let us know how we are doing and what we can do to make the best of our circumstances. Office staff hours at school will be 8:00 to 4:00 daily for incoming calls only.

Delivery of meals will resume March 30th with meals being delivered each morning, Monday thru Thursday. Our initial delivery of meals was to approximately 150. That number will nearly double. We continue to encourage families to take advantage of this free meal service to all persons 18 years of age and younger. With the increased number of meals being delivered, your patience is needed as we adjust to the increased number of stops and find ways to improve the process.

Please continue to monitor our district website and Facebook page for COVID-19 virus related updates affecting Stoutland R-II.

Sincerely

Chuck Stockton, EdD
