

August 3, 2020

Dear Stoutland R-II Community

Due to ongoing concerns of the spread of COVID-19, the structure of our secondary student enrollment will be different for the 2020-21 school year. As of right now, this is our plan:

Secondary Students (Grades 7-12):

- Senior Enrollment - August 10
- Junior Enrollment - August 11
- Sophomore Enrollment - August 12
- Freshman Enrollment - August 13
- New Student/Make-Up Enrollment - August 14

Students will need to attend on their designated day between 1:00PM and 7:00PM to set their schedules, choose lockers, and confirm student information (address, phone number, emergency contact, etc.).

New students that are enrolling in grades 7-12 will need to come prepared with proof of residence (rental/lease agreement, electric bill, etc.) and a birth certificate or social security card. They will need to be prepared to fill out forms with their contact information, medical history (shot records), and sign off on a records request for the district in which they are currently enrolled.

During this time we ask that you and your student do your part by practicing social distancing as much as possible. We look forward to seeing you August 11th-14th!

Sincerely,

A handwritten signature in black ink, appearing to read "John McNabb".

John McNabb
