

August 19, 2020

Dear Stoutland R-II Families,

As of today, the Waynesville Career Center has changed their courses to the virtual learning option for the week of August 24-28. The current plan is for them to return to normal seated courses starting Monday, August 31. This is **ONLY** for students who are attending the Waynesville Career Center.

These students will attend school during normal hours and attend the classes as they normally would. During their WCC time they will report to the designated room, at Stoutland High School, and work with their teacher from WCC virtually. Students will need to bring earbuds for use during this time.

On Monday, August 25, they will receive their course syllabus and other necessary materials from WCC. Tuesday, August 26, they will begin with the online learning plan. Students must still attend Friday, August 28, to complete their work for the week. Thank you for your patience and cooperation with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "John McNabb".
