Stoutland R-II School District

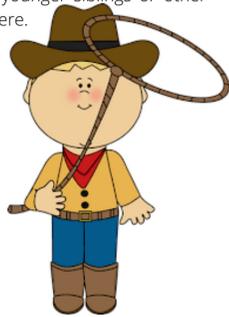

April 2022 Newsletter

Stoutland R-II School District will be conducting a Preschool (3 and 4 year old) and Kindergarten screening on April 28 & 29. During this screening, children will be enrolled for the 2022-2023 school year and receive a developmental screening. Any child living in the district whose 5th birthday occurs before the 1st day of August is eligible for admittance to kindergarten and preschool children must be 3 years old by the first day of school. Parents will need to provide a **birth certificate, immunization record, proof of residency and legal documents (custody, adoptions, etc.) at the time of screening.**

Parents need to contact the school at 417-286-3711 to make an appointment. We will be taking students to be screened in the order that they are scheduled so please arrive as near to your appointment time as possible.

Appointments will be set up in 20 minute increments and your child will be visiting several screening stations. The screening process will take approximately 60 minutes per child. Please note that if you are bringing younger siblings or other children there will be a long waiting time for them to be here.

Call to make your appointment!
