Fall Sports Update

Junior High Basketball

Girls A Record 6-9

Girls B Record 3-8

The Junior High Girls basketball season was a great one! We won six games this year. Most of these games we competed in with an extremely young team and won a few games that no one thought we would. The future is bright for the Lady Tigers! - Coach Dayton Robinson

Boys A Record 7-8

Boys B Record 6-7

We had a good season this year finishing the consolation bracket in the Frisco League Tournament for the A Team. Our B Team was 6-7 and also won the consolation at the Frisco League Tournament. We came into the year replacing three of our five starters from last year and struggled at first. Once we found our identity as a team, the hard work paid off and we were able to put it all together and get some good wins. Our 8th graders will be missed next year, but we expect big things from them in high school. - Coach Alex Nicholson

Baseball

The Stoutland Tigers Fall Baseball Team finished the fall season with a 9-12 record. The schedule in the fall for the Tigers is very challenging. Stoutland finished the season strong winning the last three games of the season. Michael Porter led the Tigers in hitting during the fall. Michael's batting average was .431. Michael also led the team in hits with 25. Charlie Hill led the Tigers on the mound. Charlie faced 200 batters and was able to strikeout 64 of them. Stoutland is ready for a great Spring Season in 2023 and things are shaping up very well for a successful Spring Season. The Tigers will be senior heavy this spring with 7 seniors on the team: Brad Shaw, Jayden Pendergrass, Wes Howe, Michael Porter, Isaiah Bell, Charlie Hill, and Jake Theiman. -Coach Joe Nicholson

Brad Shaw 8th in State

Cross Country had an amazing season as our Junior High Boys and Girls teams competed every race to improve their individual times! Our High School programs won the Frisco League Title as a team for both boys and girls for the first time since 2005. We had the great accomplishment of getting both teams to compete in the State Meet this year. For the boys, Brad Shaw, Aaron Franklin, Michael Kincaid, Isaac Hill, and Will Morrow. For the girls, Mallory Shaw, Bethany Kincaid, Allison Reeves, Harlee Mathews, and Savannah Chaffin. Individually, Bradley Shaw finished 8th and was able to achieve All State. Freshman, Mallory Shaw made her first appearance in the State meet and came out of nowhere in the last 1000 meters to win a State Championship by 12 seconds!
